Show Committee Chairman: Jo Ann Graham. Schedule Committee: Mary Scott, Audrey Spearman.

DIVISION I – ADULT HORTICULTURE CULTIVARS

RULES:

Open to any adult amateur grower. Competition is open to the world. Entry fee is the purchase of a Season Pass of \$30.00 or the payment of fifty cents per entry at the Secretary's Office. Entries will be accepted from 8:00 AM to 11:00 AM, Monday, July 26, 2021. The Knox County Fair Board asks that all vehicles be removed from the midway by 11:00 AM. Open judging by the OAGC Standard System will be 1:00PM, Monday, July 26, 2021. Entries **MUST BE REMOVED** Wednesday evening, July 28 or before 8:00 AM, Thursday morning. **If you cannot claim your entries at those times, please make other arrangements.**

Exhibitor's name, address, and exhibitor number must appear on entry tag. No reservations are necessary. Entry tags are available ahead of time at the Secretary's Office. **All entry tags must be made out in advance before arriving at the flower show and/or classification table.**

All cultivars are to be grown by exhibitor and correctly labeled on entry tag as to variety to be eligible for competition. Exhibitors in horticulture should be involved in planting and caring for their own horticulture entry(ies). Exhibitor is responsible for placing horticulture exhibits with the direction of placement and staging committees. Committee members are not expected to carry exhibits to the show from cars, outside building, or worktables unless asked.

More than one entry per class is allowed, provided each entry is a different variety. Cultivars should be well groomed and should be disbudded unless being shown as a stem, spray, or scape. Foliage should not be removed. Exhibits should be groomed before reaching the Fair.

Exhibitor is to furnish clear glass containers for their cultivars that are heavy enough to support plant material. Small water tubes will be provided for miniature roses. Paper plates will be provided for vegetables. Green Styrofoam will be available for use as blocks for large heavy cultivars.

Container grown plants should be in possession of exhibitor for at least ninety days before the Fair to be eligible for competition. Section K (container grown plants) will remain for the duration of the Fair.

The Flower Show Committee shall not be responsible for breakage, theft or loss of property. The **Committee reserves the right to combine or eliminate classes to insure a uniform show. Classes may or may not be sub-divided.** Judge's decisions are final, and no decisions are to be changed after the close of judging.

DIVISION II - ADULT ARTISTIC SHOW
THEME: "OUR 2021 FLORAL OLYMPICS"

RULES:

Open to any adult amateur (Sections A and B) or any adult professional arranger, student judge, judge or Judge Emeritus (Section B). Competition is open to the world. Entry fee is the purchase of a Season Pass of \$30.00 or the payment of fifty cents per entry at the Secretary's Office. Exhibits may be entered from 8:00 AM to 11:00 AM, Thursday, July 29, 2021. The Knox County Fair Board asks that all vehicles be removed from the midway by 11:00 AM Thursday. Open oral judging by the OAGC Standard system will be at 1:00 PM on Thursday, July 29, 2021. Entries may not be removed until Sunday, August 1, 2021 from **1:00 PM to 2:00 PM. If you cannot claim your entries at that time, please make other arrangements.** Premium checks may be obtained from a club officer at that time.

Exhibitor's name, address, and exhibitor's number must appear on the entry tag. Entry tags should be picked up at the Fair Board Office before the show. **Tags must be made out in advance.** 3" by 5" index cards stating plant material and and/or interpretation should also be made out ahead of time. Interpretation cards may be included if desired but required for classes 1 and 14. Exhibitors may make only one entry per class.

The designs are to be the sole work of the designer. Suggestions may be given in understanding the schedule, selecting proper containers or proper plant material ahead of arriving at the show. Guidance may be given but the exhibitor/designer must be allowed to complete and stage his/her design.

Designs for the most part are to be completed before arriving at the show. Limited space will be provided for assembling a creative design too large for transporting, a two-container design, or fixing a design after travel. With the exception of connecting two container designs, designs should not be made on the tables/shelves. Large buckets/containers and water for flowers/plant material are not allowed in the show room or in front of grange booths.

All designs must sit flat on the table/shelf. No mobiles are allowed. Backgrounds are permitted. Exhibitors should arrive early if a certain place is needed. Designs will be moved only if necessary.

No artificial plant material may be used. Fresh and/or dried plant material allowed in each class. Dried painted or treated plant material is allowed in all classes except 2, 3, 4, 5, 8, 17, 18, 19. No fresh material may be painted. Accessories permitted in any class.

Garden grown or roadside plant materials are preferred over florist plant materials for artistic designs. If two designs are equal in points, first place or Best of Show will be given to garden grown or roadside materials. Only fresh fruits and vegetables are to be used. No cut fruit or vegetables allowed.

Caution will be exercised, but the committee is not responsible for breakage, theft or loss of property. Judge's decisions are final and no decisions are to be changed after the close of judging.

PREMIUMS:

1st - \$5.00 2nd - \$4.00 3rd - \$3.00

Best of Show - Recognition and \$10.00--Section A (classes 1-12) and Section B (classes 13-20)

KNOX COUNTY GARDEN CLUB MEMBERS AND ALL EXHIBITORS

Thank you for all your support in entering the Knox County Fair and Dan Emmett Flower Shows in previous years and all **your help** in planning and staging all Flower Shows. It has been very much appreciated.

In response to all the concerns in entering these shows that you have shared with us, we have made some changes in the rules for all shows. Many will sound familiar, but they will be more emphasized this year.

The rules will appear with the new additions on the schedules for the Knox County Fair and Dan Emmett Flower Shows. If you have questions or concerns, please let us know. Jo Ann Graham 740 397 5156, Audrey Spearman 740 397 1962, Mary Scott 740 397 1826.

All entry tags – horticulture and artistic- are to be completed before arriving at the flower shows and/or classification table. Entry tags for the Knox County Fair are available ahead of time at the Fair's Secretary Office after the Fourth of July. Entry tags for the Dan Emmett Flower Show will be available at the entrance to The Living Center. For Artistic Shows 3" by 5" index cards stating plant material and/or interpretation should also be made out ahead of time.

For all horticulture shows exhibitors need to furnish their own clear glass containers for their exhibits and not plan on the show committee having clean clear glass bottles.

At the shows the exhibitor is responsible for placing horticulture/artistic exhibits with the direction of placement and staging committees. Committee members are not expected to carry exhibits to the show from cars, outside the building, or worktables unless asked.

Exhibitors in horticulture should be involved in planting and caring for their own horticulture entry(ies). All cultivars need to be correctly labeled on entry tag as to variety to be eligible for competition.

Artistic shows designs are to be the **sole work of the designer/exhibitor**. Suggestions may be given in understanding the schedule, selecting proper containers or proper plant materials ahead of arriving at the show. **Guidance may be given but must allow exhibitor/designer to complete and stage own design.**

Designs for the most part are to be completed before arriving at the show. A table or small workspace will be provided for assembling a creative design too large for transporting, a two-container design or for fixing a design after travel. With the exception of connecting two container designs, designs should not be made or staged on the display tables or shelves. Exhibitor may bring a small table to use in front of grange booths for reassembling/fixing horticulture or designs. **However, large buckets/containers and water for flowers/plant material are not allowed in the show rooms or in front of grange booths.** Be aware that space is limited when choosing your cut plant materials to bring for assembly on-site. Please have your work area cleaned by 10:45 AM.

All designs must sit flat on the display table or shelf. No mobiles. Backgrounds are permitted. If the exhibitor needs a certain place in the class, please arrive early before it is filled. Designs will be moved only if necessary. Thank you for your understanding and cooperation.
